

MORE INFO REGARDNIG ARC/E-TRAN TRAINING

Due to the overwhelming response we have received for the ARC loan and E-Tran processing training and in order to have an unlimited number of lines available so no one will be turned away, Ready Talk has issued additional, “overflow” phone numbers for these calls as follows:

Calls occurring between 8:30 AM and 11:00 AM (Eastern) will use call in number 800-926-5230 (no access code needed)

Calls occurring between 12:00 PM and 5:00 PM (Eastern) will all use call in number 800-901-3958 (no access code needed)

For the web portion, lenders will still use www.readytalk.com and access code 2770106.

IMPORTANT NOTE: The unlimited line feature is “listen only”. Participants will not be able to ask verbal questions. However, they will be able to ask questions via the on-line conference chat. If questions are not answered during the call, we will be giving out an email address where questions can be sent. The calls will be recorded. The primary call in number is still 866-740-1260, access code 2270106; the numbers above are available in case all the lines on the primary number/code are taken. **With the short notice given our region, please feel free to dial into one of the other calls on another day and/or time.**

Training Type	Region	Date	Time (EASTERN)
